## HAPPY ST. PATRICK'S DAY

### New foot path gets the thumbs up!!

Wasn't looking forward to going to Number Two son's game last Sunday after the rain the night before – because as us old-timers know, good old Muddies becomes a bit of a quagmire after some wet weather and gumboots are all the go! But how fabulous was it to be able to walk from the car park to the club house and between the fields with only sandals on and not a speck of mud to spoil the pedicure. Looks great and a job well done! And well done to all the teams who played last weekend – judging by some of the games we watched it is going to be a great season.
